ATHLETICS CARNIVAL | FIELD EVENT INSTRUCTIONS

LONG JUMP

Central Coast Adventist School

BEFORE YOU START

- Rake the pit level and keep the runway clear.
- Check the take-off board is clean and the tape is ready.

RULES

- **3 jumps each.** If there are too many athletes, give 2 jumps each, then the **top 4** get a 3rd jump.
- Athletes must take off from **one foot**.
- Taking off before the board is **not a foul**. The jump is still measured from the board.

PROCEDURE

1. Announce the age group and event as athletes arrive, eg "Boys 16 Years Long Jump".
2. Record each athlete's name and give them a number in the order they arrive. This is their jumping order.
3. Tell athletes how many jumps they have.
4. Call each athlete and the next one up, eg "Number 1, Mark Jones. Next, Andrew Johns."
5. One official watches the take-off board for foot faults.
6. The landing official places the tape on the mark in the sand **closest to the board**, made by any part of the body.
7. Measure to the **edge of the board closest to the pit**.
8. Record the result while the sand is raked. Have the next athlete ready.
9. When the event is finished, mark **1st, 2nd and 3rd** on the recording sheet. Send it straight to the recording room with an athlete.

FOULS

A jump is a foul if the athlete:

- Touches the ground past the take-off line, whether they jump or run through.
- Takes off from outside either side of the board.
- Takes off from two feet.
- Does any kind of somersault.
- Walks back through the pit after landing.
