ATHLETICS CARNIVAL | FIELD EVENT INSTRUCTIONS

HIGH JUMP

Central Coast Adventist School

BEFORE YOU START

- Check the mat is in place and the area around it is clear.
- Set the bar at the **starting height** for the age group (see table).

RULES

- **3 attempts at each height.** Three misses in a row and the athlete is out.
- Athletes must take off from **one foot**. Diving head first is a foul.
- Athletes have **1 minute** to start their jump once called.
- The last athlete left keeps jumping until they have 3 misses in a row.
- **Ties:** the athlete with fewer misses at the tied height wins. If still tied, the athlete with fewer misses overall wins. If still tied, they share the place.

PROCEDURE

1. Announce the age group and event as athletes arrive, eg "Boys 16 Years High Jump".
2. Record each athlete's name and give them a number in the order they arrive. This is their jumping order.
3. Announce the starting height, and each new height at the start of every round.
4. Call each athlete and the next one up, eg "Number 1, Mark Jones. Next, Andrew Johns."
5. Record the result while the bar is reset. Have the next athlete ready.
6. Raise the bar after each round. **Girls:** 5 cm until 3 athletes remain, then 3 cm. **Boys:** 10 cm for the first raise, then 5 cm until 3 athletes remain, then 3 cm.
7. When the event is finished, mark **1st, 2nd and 3rd** on the recording sheet. Send it straight to the recording room with an athlete.

BAR CHECKS

- Measure the height at the **centre** of the bar and check both ends are level.
- If the bar sags, measure from the ground to the top of the bar at its **lowest point**.
- If the jumper knocks the bar off, it is a miss, even if they are off the mat before it falls.
- If the wind knocks the bar off, officials decide if it was the jumper or the wind. An official may steady the bar until the athlete starts their run-up.

FOULS

A jump is a miss if the athlete:

- Knocks the bar off.
- Takes off from two feet or dives head first.
- Runs under or past the bar and touches the mat or ground beyond it.
- Takes longer than 1 minute to start.
